

Be the change **South Africa** needs.
Forward thinking companies are
NBI members.

Join the **NBI** today.

Together with our member companies...

We're building a **South African** society and economy that is **inclusive, resilient, sustainable** and **based on trust**.

Through **capacity building, collective action** and **thought leadership** we create change by leveraging the **power of the collective** to enhance and enable action in the following focal areas:

- **Environmental sustainability**
- **Economic inclusion**
- **Social transformation**
- **Sustainable development goals (SDGs)**
- **Institutional & government capacity**

THE NBI IS FOR THE COMMITTED

We are an independent, business movement of around 85 of **South Africa's** largest companies and multi-nationals committed to the vision of a thriving country and society.
