

MAKING SENSE OF 4IR: CLOUDEBATE™ CLIMATE SERIES

4IR: RECYCLE, REPLENISH, REVISIT

This year our UJ Cloudebates™ focused on how the innovative technologies of the Fourth Industrial Revolution (4IR) can assist in alleviating the detrimental effects of climate change.

Visit uj.ac.za/4IR and click on Cloudebates™ to recycle this informative video series, before it's too late.

Because at UJ, we believe the future belongs to those who reimagine it.
